Independent Auditors' Report

To
The Shareholders,
KRBL DMCC,
P.O. Box 53688,
Dubai – United Arab Emirates.

We have audited the accompanying financial statements of **KRBL DMCC, Dubai-United Arab Emirates** which comprise the balance sheet as at March 31, 2010 and the statements of income, statement of changes in shareholders' equity, statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory notes.

MANAGEMENT RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance, whether the financial statements are free from material misstatement

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including the assessment of the risks of material

misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting principles used and reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the financial statements present fairly, in all material respects, the financial position of **KRBL DMCC, Dubai – United Arab Emirates** as of March 31, 2010 and of its financial performance and its cash flows for the year then ended Subject to note 9 in accordance with International Financial Reporting Standards (IFRS).

Also, in our opinion there were no contraventions during the year of the U.A.E. Federal Commercial Companies Law No. 8 of 1984, as amended or the Company's Articles of Association which might have materially affected the financial position of the Company or the result of its operations for the year.

3. Summary of significant accounting policies:

Basis of preparation:

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB), interpretations issued by International Financial Reporting Interpretations Committee (IFRIC), and applicable requirements of the U.A.E. Law. Summary of the significant accounting policies, which have been applied consistently, are set out below:

(a) Accounting convention

These financial statements have been prepared under historical cost convention basis.

(b) Inventories

Inventories are stated at the lower of cost and net realisable value using FIFO method. Costs comprise direct materials and, where applicable, direct labour costs and the overheads that have been incurred in bringing the

inventories to their present location and condition. Net realisable value represents the estimated selling price less all estimated costs to completion and costs to disposal.

(c) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and identified impairment loss, if any. The costs comprise of purchase price, levies, duties and any directly attributable costs of bringing the asset to its working condition. The cost of property, plant and equipment is depreciated using the straight-line method over their estimated useful economic lives.

(d) Revenue recognition

Revenue from sale of goods shall be recognised when all the following conditions have been satisfied:

- i. The entity has transferred to the buyer the significant risks and rewards of ownership of the goods;
- ii. The entity retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- iii. The amount of revenue can be measured reliably;
- iv. It is probable that the economic benefit associated with the transaction will flow to the entity; and
- v. The cost incurred or to be incurred in respect of the transaction can be measured reliably.

(e) Financial expenses

Financial expenses are accounted in the statement of income in the period in which they are incurred.

(f) Provisions

Provisions are recognised when the Company has a present obligation as a result of a past event, which it is probable, will result in an outflow of economic benefits that can be reasonably estimated.

(g) Investment property

Investment property is a property held to earn rentals and/or for capital appreciation, is stated at cost less depreciation at the balance sheet date. The Company continues to account investment property on ‘Cost less depreciation model.

h) Financial instruments

Financial instruments comprise financial assets and financial liabilities. Financial assets and financial liabilities are recognised on the entity's balance sheet when the entity has become a party to the contractual provisions of the instrument. A financial asset is any asset that is cash, a contractual right to receive cash or other financial asset, a contractual right to exchange financial instruments under conditions that are potentially favourable or an equity instrument. A financial liability is any liability that is a contractual obligation to deliver cash or another financial asset, or to exchange financial instruments under conditions that are potentially unfavourable.

Trade receivables

Sales made on credit are included in trade receivables at the balance sheet date, and reduced by appropriate allowances for estimated doubtful amounts. Bad debts are written off as they arise.

i) Cash and cash equivalents

For the purposes of the statement of cash flows, cash and cash equivalents comprise cash on hand, balances with bank and deposits with banks, within a maturity date of three months or less from the date of deposit, free of encumbrances.
