\* This is a continuous project and will also be continued in the next year.

\*\*KRBL in line with its CSR strategy to support social impact initiatives in the area of nutrition and education had committed support for setting up of a centralised kitchen for mid-day meal program for school children in Ghaziabad. This project was conceived and being executed in a PPP model. Due to various hurdles faced by the Akshaya Patra Foundation the execution of the project was delayed. This inadvertent delay had led to non-utilization of CSR funds disbursed till date. We are hopeful of progress during 2019-20 and completing the project at the earliest.
