Corporate Presentation
September, 2017

Important Notice

Safe Harbor

This presentation contains statements that contain “forward looking statements” including, but without limitation, statements relating to the implementation of strategic initiatives, and other statements relating to KRBL Limited and its affiliated companies (“KRBL”) future business developments and economic performance.

While these forward looking statements indicate our assessment and future expectations concerning the development of our business, a number of risks, uncertainties and other unknown factors could cause actual developments and results to differ materially from our expectations.

These factors include, but are not limited to, general market, macro-economic, governmental and regulatory trends, movements in currency exchange and interest rates, competitive pressures, technological developments, changes in the financial conditions of third parties dealing with us, legislative developments, and other key factors that could affect our business and financial performance.

KRBL undertakes no obligation to periodically revise any forward looking statements to reflect future / likely events or circumstances.

Industry Analysis

No Threat of Substitute Products.

- Basmati Rice is just 2% of total Rice Production in the World
- Basmati Rice is GI Product and Grown only in India (70%) and Pakistan (30%).
- Simple product – no hi-tech processing required / no fad / processed food.
- Highest quality and high valued product, not commodity!

Threats

- No China competition / other countries threat – Grown only in India and Pakistan.
- Govt. regulations – no government / regulatory interference.
- Economy, war, global crop patterns etc. – No major impact.

Hold on distributors

- Largest and established player.
- FMCG nature.
- Trust with distributors

Hold on Farmers

- R & D advantage – creator of 1121 variety.
- Seed distribution – only player to distribute seeds.
- Doing organic and contract farming.

Competition

- Pricing Premium over competition.
- New entrants – require huge marketing budgets and organizational management to manage entire supply chain.

Investment Highlights
