RECOVERY TRACKER

Higher mobility, freight numbers improve

SACHIN P MAMPATTA & KRISHNA KANT  
Mumbai, 8 August

There were signs of more people moving around in the latest week. Retail and recreation visits were 10.1 per cent higher than it was before Covid-19 took hold, showed mobility data from search engine Google. It uses anonymised location data to track how people are moving during the pandemic. Shopping for essentials and workplace visits also saw a rise (see chart 1).

The gap in vehicle registrations compared to 2019 narrowed in the latest week. There were around 348,000 registrations. This is 11.2 per cent lower than in 2019. The previous week had a 12.8 per cent gap over 2019 (see chart 2).

The Indian Railways saw growth in quantity of goods carried. It was up 15.95 per cent year-on-year in the latest week compared to 13.55 per cent in the previous week. Freight revenue, or the money made from carrying these goods, grew at 26.99 per cent in the latest week compared to 26.31 per cent previously (see chart 3).

Power generation increased last week and the gap over 2019 levels widened. The power producers in India generated 4,361 million units (MUs) of electricity per day on average in the latest week, based on reporting day data. It was 4,295 MUs per day in the previous week. In comparison, power generation was 3,653 MUs per day during the corresponding week in 2019 (see chart 4).

The number of airline passengers and flights showed some signs of moderation. The latest Sunday numbers were higher than the previous week.

1: RISE IN RETAIL AND RECREATION VISITS

Note: Latest update is as of August 3, 2022, based on location data as processed by the company. The percentage change is compared to a baseline value for the same day of the week, calculated on a median basis during the 5-week period, Jan 3–Feb 6, 2020. The chart shows a seven-day rolling average of visits to each category. Residential data refers to change in time spent at home. 6: LOWER TRAFFIC CONGESTION

Note: Refers to change in Monday morning (9 am) traffic congestion. Comparison is made to 2019 levels. Source: TomTom International

At around 353,000; there were nearly 10 per cent more passengers on August 7 than on the previous Sunday (see chart 5).

Traffic congestion was lower than before, showed data from global location technology firm TomTom International. Mumbai was 36 per cent

lower than 2019, while New Delhi traffic congestion was down 35 per cent. Mumbai traffic has increased, while congestion was lower in New Delhi (see chart 6).

Business Standard tracks these indicators as a way of getting a weekly picture of the

economy. Official macroeconomic data is often released with a lag. Analysts globally track similar indicators to get a more current sense of the economic situation after the pandemic; amid restrictions and other government interventions to control its spread.

Sindhu wins elusive CWG gold, India finishes fourth

Shuttlers win all three titles on offer on last day of the Commonwealth Games, Sharath Kamal most decorated athlete with 4 medals, hockey team disappoints

AGENCIES  
Birmingham, 8 August

India extended its golden run on the final day of the Commonwealth Games in Birmingham on Monday, grabbing the yellow metal in four of the five events Indian athletes participated in, and ended fourth in the overall tally.

The highlights were ace shuttler P V Sindhu adding an elusive Commonwealth gold to her array of medals, and 40-year-old Achant Sharath Kamal's star turn as the most decorated Indian athlete as he bagged four medals — three golds and a silver — at the Games.

Praising the immensely talented Sharath, President Droupadi Murmu tweeted that Indians were delighted that “our tricolour soars at the podium due to your special feat”.

India won 22 gold, 16 silver and 23 bronze medals, edging out New Zealand on the last day and finishing behind Australia, hosts England and Canada.

Three wins in badminton

It was a day to rejoice Sindhu, who won the women's singles final beating Canada's Michelle Li in straight sets.

The world number seven outplayed her 13th ranked opponent 21-15, 21-13 in front of a packed crowd at the NEC arena.

“I've been waiting for this (gold) for a long time now. Of course I'm super happy. I've finally done it. From day one it was important to keep my tempo high and be confident that I can do it,” an elated Sindhu said after claiming the top honour.”

Contrary to the final scoreline, Sindhu said overcoming Li was not an easy task. “It was very important to be very focused and in the rhythm. We

know each other's game. There are no easy points so even though I was leading I made sure I was very focused.”

The 10th ranked Lakshya Sen doubled India's delight winning the men's singles final in his first ever Commonwealth Games. The 20-year-old defeated world number 42, Malaysia's Tze Yong Ng, 19-21, 21-9, 21-16. “It was tense in the start, I had to work really hard. Yong also played a great tournament. Congratulations to him as well,” said Sen after the hard fought contest.

India also won its first Commonwealth men's doubles gold in badminton. The star pair of Chirag Shetty and Satwiksairaj Rankireddy won 21-15, 21-13 against England's Ben Lane and Sean Mendy.

TT glory

Ace table tennis player Sharath Kamal extended his domina-

tion at the Games, winning his third gold of the season in the men's singles category.

Kamal beat England's Liam Pitchford 4-1 after losing the first

set. The Tamil Nadu-born superstar paddler has a rich haul of four medals at this edition of the Games, having won the men's team and mixed team gold and a silver in the men's doubles event.

Meanwhile, Sathiyar Ganasekaran bagged his maiden Commonwealth Games singles medal as he grabbed a bronze by defeating Britain's Paul Drinkhall 4-3 in front of a packed crowd.

Wait for hockey gold continues

The Indian men's hockey team took a 7-0 beating from defending champions Australia, settling for a silver in the final match of the day.

Up against the rampaging Australians, Indians struggled to get their act right in the summit showdown, which turned out to be completely lopsided. The structure which the Indians are known for was nowhere to be seen. The defence looked shaky, while there was no co-ordination between the mid-field and forward line.

Birmingham, 8 August

India extended its golden run on the final day of the Commonwealth Games in Birmingham on Monday, grabbing the yellow metal in four of the five events Indian athletes participated in, and ended fourth in the overall tally.

The highlights were ace shuttler P V Sindhu adding an elusive Commonwealth gold to her array of medals, and 40-year-old Achant Sharath Kamal's star turn as the most decorated Indian athlete as he bagged four medals — three golds and a silver — at the Games.

Praising the immensely talented Sharath, President Droupadi Murmu tweeted that Indians were delighted that “our tricolour soars at the podium due to your special feat”.

India won 22 gold, 16 silver and 23 bronze medals, edging out New Zealand on the last day and finishing behind Australia, hosts England and Canada.

Three wins in badminton

It was a day to rejoice Sindhu, who won the women's singles final beating Canada's Michelle Li in straight sets.

The world number seven outplayed her 13th ranked opponent 21-15, 21-13 in front of a packed crowd at the NEC arena.

“I’ve been waiting for this (gold) for a long time now. Of course I’m super happy. I’ve finally done it. From day one it was important to keep my tempo high and be confident that I can do it,” an elated Sindhu said after claiming the top honour.”

Contrary to the final scoreline, Sindhu said overcoming Li was not an easy task. “It was very important to be very focused and in the rhythm. We

know each other's game. There are no easy points so even though I was leading I made sure I was very focused.”

The 10th ranked Lakshya Sen doubled India's delight winning the men's singles final in his first ever Commonwealth Games. The 20-year-old defeated world number 42, Malaysia's Tze Yong N G, 19-21, 21-9, 21-16. “It was tense in the start, I had to work really hard. Yong also played a great tournament. Congratulations to him as well,” said Sen after the hard fought contest.

India also won its first Commonwealth men's doubles gold in badminton. The star pair of Chirag Shetty and Satwiksairaj Rankireddy won 21-15, 21-13 against England's Ben Lane and Sean Mendy.

TT glory

Ace table tennis player Sharath Kamal extended his domina-

tion at the Games, winning his third gold of the season in the men's singles category.

Kamal beat England's Liam Pitchford 4-1 after losing the first

set. The Tamil Nadu-born superstar paddler has a rich haul of four medals at this edition of the Games, having won the men's team and mixed team gold and a silver in the men's doubles event.

Meanwhile, Sathiyam Ganasekaran bagged his maiden Commonwealth Games singles medal as he grabbed a bronze by defeating Britain's Paul Drinkhall 4-3 in front of a packed crowd.

Wait for hockey gold continues

The Indian men's hockey team took a 7-0 beating from defending champions Australia, settling for a silver in the final match of the day.

Up against the rampaging Australians, Indians struggled to get their act right in the summit showdown, which turned out to be completely lopsided. The structure which the Indians are known for was nowhere to be seen. The defence looked shaky, while there was no co-ordination between the mid-field and forward line.
